Team Coordination

Below are the resources and tools we will be using to coordinate our work:

| | |
|---|---|
| GitHub https://github.com/AbanobTawfik/SENG3011_Medic | For development, code sharing and collaboration |
| Messenger https://www.messenger.com/t/3002862533126276 | For communication, discussions and organising meetings |
| Trello https://trello.com/b/44d7NKTB/seng3011 | For task tracking |
| Google Drive https://drive.google.com/drive/folders/18-OkliEd7jVNwt8BQpDzy-1lHHfUnZO?usp=sharing | For drafting and preparing reports, and note-taking |
| Additional Group Meetings | Every Saturday at 12:00pm 1 hour meeting to discuss individual progress and current state of project as a group |
